What's on

Fine-tune your finances

Are you getting the best deal for your utilities, mobile or TV package? Are you paying for things you don't need or use?

Learn the skills you need to make the most of your money, with tools and techniques to take away.

North Walsham
Thursday 2nd February
10.30am to 12.30pm

North Walsham
Tuesday 21st February
6.30pm to 8.30pm

Get money smart

Get online

This beginners' guide will give you vital skills for using computers, smart phones and tablets.

Learn how to set up an email account, send emails and keep in touch with friends and family. See how to use the internet for online banking, shopping and more, as well as using email and internet for Universal Credit and benefits.

Stalham
Wednesday
16th November
10.30am to 12.30pm

IT, emails and internet

Drop in to Victory's offices at the times below to ask your computer related questions. We can help you access the internet, set up an email account, set up internet banking or learn how to use Victory's website. Staff will be available to help with your smart phone, tablet, iPad or computer queries. No need to book, just pop along on the day.

Tom Moore House,
Cromer Road,
North Walsham
Thursday 9th March
1pm to 6pm

Winter hints and tips

As the days get shorter and the temperature drops, prepare yourself and your home for the winter chill.

Pick up helpful hints and tips to keep warm for less, as well as how to avoid unwanted problems with your heating and hot water.

North Walsham - Victory Housing's town centre stand at the Christmas Lights Switch-on
Saturday 26th November 3pm to 6pm

Just drop by our stand!

Get practical

Be your own handyperson

Learn more about tenants' responsibilities for jobs around the home, and get the practical skills you need to get jobs done.

No experience is needed – this friendly session includes changing lightbulbs, improving decorating skills, unblocking pipes and much more.

Sheringham Saturday 25th February 1pm to 4pm

Gardeners' Corner

Taken on a garden, and not sure where to start? Come along to share or learn gardening hints and tips.

Jeakins Weir will guide you through the gardening basics: using essential gardening tools, how to cut a hedge, cutting grass and identifying weeds. You'll also get to practice potting up bedding plants which you can take away with you.

Fakenham Wednesday 22nd March 10.30am to 1pm

North Walsham Wednesday 29th March 10.30am to 1pm

More workshops >>>
